This paper is being filed pursuant to 37 C.F.R. §1.133(b). The Interview Summary mailed on October 5, 2004, with the Notice of Allowance, indicated that "Applicant is given one month from this interview date, or the mailing date of this interview summary form, whichever is later, to file a statement of the substance of the interview." Accordingly, this paper is considered timely filed if it is submitted on or before November 5, 2004. Since this paper is being filed in response to a paper mailed by the Examiner and is being timely filed, this paper should not be considered a "failure to engage in reasonable efforts" to conclude processing or examination of an application pursuant to 37 C.F.R. §1.704(c)(10). Accordingly, the filing of this paper should not result in reduction of any patent term adjustment under 37 C.F.R. §1.704(c)(10).

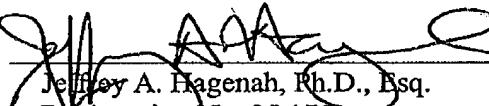

If there are any questions concerning this paper, please telephone the undersigned attorney at (650) 808-6406.

Respectfully submitted,
